

TURKEY NAME CARDS

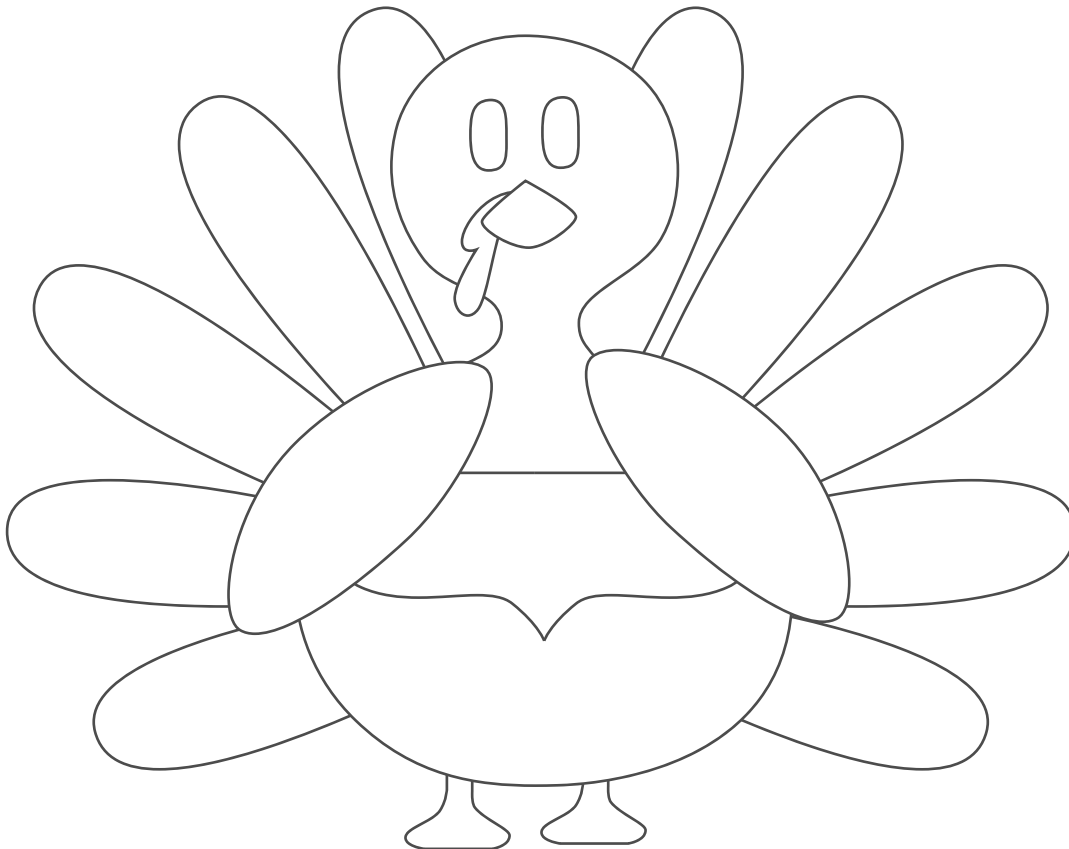

SUPPLIES.....

Scissors, glue, one empty toilet paper tube cut in 2" lengths, construction paper.

FOR TRACING AND CUTTING.....

ASSEMBLY GUIDE.....

Start by placing 10 feather pieces and 2 feet on top of the guide.

Glue the body on top of the pieces.

Glue wings and face pieces.

Turn the turkey over and glue the 2nd body on the back side to cover the feet and feather bases.

Glue the 2" toilet paper ring to the back belly area of the turkey to act as a stand/napkin ring.

Fill out the name card and insert it behind the wings.
